February 2026

Upcoming news:

What a fantastic start to the year! We've been diving into the exciting topic of 'People Who Help Us,' exploring all the ways helpers make a difference in our world. Our team also enjoyed a twilight training session with Colin Tapscott, sharpening our teamwork skills so we can give your children the very best care and learning experiences every day!

Wonder Wednesdays:

Exploring and Learning
Together 

Every Wednesday, our learning moves outdoors as we explore and discover our natural environment. The children investigate nature through hands-on activities that encourage curiosity, creativity, and problem-solving. Outdoor learning supports confidence, teamwork, and an appreciation for the world around us.

Employee of the Month:

Alice! 

Please join us in congratulating Alice, our February Employee of the Month! She's been working super hard on children's observations and always brings a creative touch to everything she does.

General Reminders:

- ♥ **Handovers:** If you require a detailed handover when collecting your child, please arrive at least 5 minutes before the end of your child's session.
- ♥ **World Book Day:** Children are welcome to dress up as their favourite character.
- ♥ **Wellingtons:** Please provide your child/children with a named pair of wellingtons that can be left at Day Care. This allows us to continue providing an all-weather nursery experience.
