

## **Welcome to Howe Dell Primary School**

We are a bustling, productive two-form entry primary school that places children at the centre of everything we do. Our purpose is 'aspiration' and our core values are 'Kindness, Growth and Respect', which means that every child and adult who is part of our 'Howe Dell' family will strive to be the 'best they can be'.

To achieve this, we provide children with an exciting and engaging curriculum that promotes independence and a curiosity for learning; ultimately creating motivated, life-long learners.

We want our children to enjoy being at school, to work hard and to grow up as well rounded, caring, and resilient young people.

Through our websites, we hope to provide you with a 'taster' of 'life at Howe Dell'. Should you have any further questions or queries or would like to visit the school, please contact us directly.
